Welcome to Week 9 of our learning focused Term 2.

**Our Focus: Our Beautiful School- A Stimulating Learning Environment**

Bargo PS offers a safe and stimulating learning environment. High levels of student supervision, clear rules and lovely play areas are a feature of our invitational play environment. View some pictures of our Aboriginal installations and environmentally focused frog pond.

**Reminder:** Tomorrow, 17 June is NO waste Wednesday: Please bring a NO Waste Lunch and dress up as discussed in previous notes. No Cost other than a No Waste Lunch.

**Multicultural Speech Finals, Douglas Park**

Yesterday, our students represented our school at Douglas Park PS for our District Speech Final. Congratulations to Stage 3 representatives Holly, Chloe and Stage 2 representatives Skye and Chelsey-Rae. Unfortunately, Chelsey-Rae was unable to compete on the day. Although, very competitive; our students will not be competing in the next round.

Congratulations on a fine performance. Skye also received a Highly Commended Award. Well done!

**Valuing Our People: Tuesday Toast**

Many thanks to Eric Drescher and team from His House Church who provide milk and toast for students every Tuesday from 8:15 am. Everything is provided for students who would like a little something extra to kick start their learning. It is a Bargo much loved tradition.

“Teachers, Parents & Community Caring for Children, Educating for Life”
Netball, Soccer and AFL Gala Day News

Congratulations to our students and staff for a fantastic day with many successful results!

Mrs Hines, Mr Hockey, Mr Gooden and Mrs Jordan praised our student behaviour and representation at last week’s Gala Day. ‘Our kids were fantastic! It’s always a pleasure to take them out!’

Mr Gooden was beaming when describing how the Senior Boys Soccer team did not concede a try and was undefeated. Both the Junior and Senior teams won their divisions. Many thanks to team managers and parent support for this terrific opportunity. Congratulations to the PSSA Team Convenors, including Mr Hockey for AFL who donate much of their personal time to plan and coordinate these valued sporting opportunities across our schools.

Winter School Uniform

Now that Winter is here, it is timely to share some reminders about our school uniform and the high expectations we endorse.

*School beanies or the school hat* are permitted to wear to school and in the playground in terms 2 and 3.

* Students who choose not to wear a hat or a beanie in the playground will be sent to the COLA for shade play.

* All beanies are to be removed when indoors. This includes classrooms, assemblies, front office and when indoors during an excursion.

* Hoodies are not acceptable.

* It makes sense to keep a school hat in each child’s bag or tote tray for when BEANIE chilly mornings turn into warmer sunnier SCHOOL HAT days.

Reconciliation Week 27 May to 3 June: Celebration with School Performance Monday 22 June, closing date 19 June

Visiting Aboriginal performer, Fred Reid as part of our Reconciliation and Naidoc celebrations will be performing on Monday 22 June. Closing date for payment is Friday 19 June. This is part of learning and valuing our historical and Aboriginal relationship with the oldest living culture on earth. A small cost of $5 is required. Remember to return permission forms with payment thanks.

Interviews and Reporting Next week: Return your interview request and please bring any questions

This year, we expect all parents to have a conversation with their child/children’s teacher. This may be an interview or a phone call. We are committed to supporting children and communicating their progress to mums and dads. Please make a time to chat. We want to help parents and learn from your deep knowledge about your children, so that together, we are continually supporting student learning.

*What happens at a teacher interview?*

Interviews are an exchange of information. We look forward to report on progress and listen to your feedback in return. Please read your child’s report and think about any questions or information you would like to share. This is an opportunity to learn more about how your child is succeeding at school, their needs and practical ideas on how to help at home.

Dance 2B Fit: Term 3 2015, $24 for an Eight Week Program

Dancing is part of the Creative Arts Curriculum. Our school has participated in this program on a biannual basis. One year we participate in a specialist gymnastic program and the next year we enjoy a dance program. This week all students will receive a note regarding the 8 week Dance Program that will commence in Week 2 after the holidays. I am keen to provide advance notice to support our community and help parents organise the financial cost over time.

Friday 26 June: Last day of Term 2

Last Friday 26 June is the last day of Term 2. Students will then enjoy 2 weeks of winter holiday prior to returning on *Tuesday 14 July 2015.*
