Welcome to Week 7 of our learning focused Term 3!

Year 3 and Year 5 Naplan Reports
Students in Year 3 and Year 5 have received their individual reports this week detailing their strengths and learning needs. I encourage parents to read the report and celebrate each child’s strengths and willingness to try. If parents need help to understand or to interpret the report, please organise to chat to your child’s classroom teacher. As a school, we evaluate our student progress and reflect on how we can continue to support our students to achieve their very best.

Wow! Our First Chocolate Wheel Donation!
Thank you Mr & Mrs Bob Moran for the fabulous hat stand and beautifully turned wooden salad bowls. They are truly beautiful pieces of art and demonstrate wonderful craftsmanship! I’ll be purchasing my Chocolate Wheel tickets for this one!
If you have any new unwanted gifts that you would like to donate to the Chocolate Wheel, please bring them in to the front office. The more the merrier!

Successful K-6 Celebration Assembly
It is always a joy to acknowledge the great work of our students and our focus on learning and achievement. Thank you to our parents for their support and attendance.

Razorback Athletics Carnival: Thursday 27 and Friday 28 August, Campbelltown Sports Ground
Congratulations to our students who are representing our school this Thursday and Friday with Mr Gooden and Mrs Feigler. This is our district carnival with numerous local schools. We wish our team the best of good luck! Please be aware that weather conditions may result in this event being postponed.

Kindergarten Expo Day! 1st September and Kinder Orientation
Don’t miss out! Please encourage any new people or friends who have a kindy aged child, turning 5 before or on the 31 July 2016 to contact the school. We are excited with our new initiative. Come along to Kindergarten Expo and learn about the fabulous learning opportunities at Bargo PS. Wow! We are excited with our strong Kindergarten learning response to our Expo Day! Come along and discover our best kept secrets at Bargo. We are very proud of quality school learning programs.

“Teachers, Parents & Community Caring for Children, Educating for Life”
Valuing Our People: Learning and Support Teacher (LAST) Mrs Pohl

Mrs Pohl uses her many talents to work with students, staff and parents to assess children’s needs, and help devise teaching programs matched to each referred child. This is a vital role within our school. Mrs Pohl is also part of the Learning and Support Team, who meet regularly to discuss and plan ways to help children learn. Mrs Pohl also coordinates our applications for additional student funding. We are lucky to enjoy such dedicated people in our school.

SASS Recognition Week 31 August - 4 September

Next week, please think about the great work that all of our support personnel do to support the school, it’s operation, management and the needs of students! We are very appreciative of the work of Mrs Hatton, School Administrator; Mrs Majella Ratcliffe and Mrs Gina Scott, School Administrator Officers; Mrs Kim Fowler, Mrs Colleen Franco, Mrs Sharon Sharpe and Mrs Lisa Boon, School Learning Support Officers; and Mr Grant Little, General Assistant.

Coloured Skip-a-thon: Change of date! Wednesday 16 September

Due to Razorback Athletics Carnival on the 28 August, there is a change of date to avoid the clash. Don’t forget to collect your sponsors to raise funds for some much needed playground equipment to support our school play programs. The activities will commence as follows: K-2: 12:00 and 3-6: 2:05 pm. All welcome to watch our Fun Skip-a-thon!

- Kids wear *coloured sport shirts with sport shorts & trainers*.
- Kids organise sponsorship for participation on the day
- Rotation through teacher-led activity stations
- Coloured dots for each teacher to indicate completion of activity
- Kids collect money after event & return to silver tin

Your continued support of our school is greatly appreciated. There will be a class prize and three student prizes for raising the most funds!

On Monday 24 August, Marc from the Keep NSW Beautiful Environmentors program came to teach four classes about ways to reduce litter. He told the students about how litter impacts the environment, especially in parks and the oceans. Thank you to Wollondilly Shire Council who sponsored our school and arranged for Environmentors to visit.

CHILD ALMOST HIT BY BUS!

A child was almost hit by a bus in Hawthorne Rd on Friday afternoon. The bus driver was visibly distressed after the incident. Please make sure you escort your children safely from school.

Hold hands
- Kids need to be actively supervised in and around traffic. Hold hands with
  - your children when crossing the road, until they are at least 10 years old.
  - If your hands are full, make sure your children hold onto a trolley or pram, your bag or even your arm or sleeve.
