November 20, 2012

Dear parents, carers and students,

Over the next few days you will receive information about purchasing school uniforms for 2013. Many thanks to the parents who contributed to the decision making process. As a result of your input and the input of the P & C we have decided to source Bargo Primary School uniforms in the following way:-

1. Continue to purchase Australian Made uniforms from Yeronga School Uniforms in Camden. You will need to purchase from the uniform shop direct. Bargo Primary school will not be involved in any aspect of these purchases.

The P & C will source the same supply of uniforms from China. In 2013 the plan is to open the P & C uniform shop once a week for the day. You will also be able to purchase goods via an order form which will be placed on school website, which you will be able to download at any time.

The price list for both uniform suppliers will come home with the first order form for P & C supplied uniforms (Chinese made).

Yeronga Uniforms will visit Bargo Primary School on 3rd December, 2012 to sell items to you. All stock should be available and the sale will be from 9am -10:30am under the COLA.

At this point time I have noticed mums and dads are choosing to purchase from Big W, Lowes, Target, Best & Less to supplement their children’s uniform selection. While I understand it is difficult to afford uniforms, we have done our best to source a cheaper supplier. I would ask that you refer to our school uniform policy and follow it. If we all work together, it will be much easier to get kids to wear their uniform each day.

Banking Day is Thursday
Final Banking Day is December 11th
Please pop completed, sealed bank books into the silver tin before school. Remember to collect your tokens, then trade them in for rewards.

More on last week's changes to DEC. I have been advised today that PSSA sport will not change and will remain as is for the immediate future. We still remain part of South Western Sydney PSSA and play sport against other Razorback teams.
